About Me

Full Stack Web Developer with 1+ years of professional experience. I am passionate about using my skills as a Full Stack Developer to create innovative solutions that solve real-world problems. As I continue to grow my skills and experience in the field, I am eager to contribute to projects that make a meaningful impact on society and help improve people's lives.

Professional Experience

ThinkSoft | Part Time Full Stack Developer
April 2022 – Present

Highlights:

- Contributed to the development of WebbsAI, a no-code website builder.
- Conducted code reviews and provided constructive feedback to enhance code quality and maintainability.
- Assisted with onboarding new developers and provided technical support to ensure successful project delivery.

ThinkSoft | Full Stack Intern
January – April 2022

Highlights:

- Collaborated on the development of a workforce/task management system.
- Translated Figma designs into code.
- Attended daily standups and gave demos of my work to the team.
- Promoted to a part-time position based on exceptional performance.
